## **Marabu North America Producing Hand and Surface Disinfectant in Response to COVID-19 Needs**

**[Charleston, South Carolina – April 15, 2020]** - Marabu North America is actively contributing to the fight against COVID-19 by adapting their production facility to manufacture a hand and surface disinfectant. The new product, Mara<sup>®</sup> *Disinfect* is produced under the new guidelines of the FDA and WHO.

Located in North Charleston, Marabu North America manufactures and sells inks for digital, pad, and screen printing as well as a full line of liquid laminates.

“I’m very pleased with the commitment and effort of our employees to adapt quickly and meet the needs of our clients and community at this unprecedented time,” states Bob Keller, President of Marabu North America.

Companies and organizations interested in ordering Mara<sup>®</sup> *Disinfect* are directed to send an email to [sales-mna@marabu.com](mailto:sales-mna@marabu.com) with subject line, Mara Disinfect.

Marabu North America also launched [MarabuCares.com](http://MarabuCares.com), a website dedicated to the company’s COVID-19 response efforts including complimentary solvent printer maintenance kits for customers and complimentary home art kits for kids.

Marabu North America LP is a subsidiary of Marabu GmbH & Co, a leading global manufacturer of screen, digital and pad printing inks for nearly 160 years. Marabu is recognized by customers and the industry for the highest quality products, unparalleled technical service and environmental awareness. The company employs more than 440 people worldwide with its distribution partners exclusively representing Marabu in over 70 countries around the world.
