## **NFI Corp. Named to *Boston Business Journal's* 2019 “Fast 50 List”**

NEW BEDFORD, MA, ISSUED APRIL 2, 2019...NFI Corp., the global leader in high performing printed graphic solutions, was recently announced to the *Boston Business Journal's* “Fast 50” list for 2019.

The “Fast 50” list designates the region’s 50 fastest-growing privately held businesses, based on research conducted by the *Boston Business Journal*. The companies included were selected based on their strong growth over the last four years. To be considered, companies had to be headquartered in Massachusetts and report revenue of at least \$500,000 in 2015 and \$1 million in 2018. Companies that did not show growth from 2017 to 2018 were excluded from consideration. Approximately 140 companies submitted information to be considered for the list.

The *Boston Business Journal* will announce the rankings and exclusive financial information about Massachusetts’ fastest-growing private companies at a special awards celebration on May 15.

“We are excited to be recognized for our continued growth by the *Boston Business Journal*,” said Renaud Megard, President and CEO. “We are proud of our work and grateful to our clients and to our staff for contributing to this achievement.”

### **About NFI Corp. – Nameplates For Industry**

Nameplates For Industry, or NFI Corp., was started in 1975 in England, and eventually established a business base in New Bedford, Mass. (which separated from the England location by 1988).
