

## NEWS RELEASE

### **SAKURAI TO HOST A SCREENPRINTING/DRYING SHOWCASE FOLLOWING SGIA'S FP3 CONFERENCE**

**FOR IMMEDIATE RELEASE**

**MAY 10, 2018**

**(SCHAUMBURG, ILLINOIS)** Sakurai USA, along with industry partner Natgraph will highlight the full line up of Sakurai cylinder screen presses and Natgraph drying and curing systems at SGIA's FP3 Functional Printing, Process and Products Conference. The conference is scheduled for June 4-6, 2018 at the Westin Chicago Northwest in Itasca, Illinois.

Sakurai is a Supporting Sponsor of FP3, a new conference from SGIA that is all about innovation, exploring technologies and concepts, consists of three tracks — printed electronics, business topics and industrial topics. See: <http://fp3conference.com/>

#### **SAKURAI SCREENPRINTING/DRYING SHOWCASE & SGIA '18 PREVIEW**

Immediately following the FP3 conference, Sakurai will host a Screen Printing/Drying Showcase and preview equipment to be featured at SGIA '18 in Las Vegas. The Sakurai event will be held on Thursday, June 7 from 10 AM to 3 PM at the Sakurai National Headquarters in nearby Schaumburg, Illinois. Printing and drying experts from Sakurai and Natgraph will conduct live demonstrations of printed electronics applications on a high speed Sakurai MS-102SD cylinder screen press equipped an energy efficient Natgraph Smart drying system. Refreshments will be served.
