## *National Association of Graphic and Product Identification Manufacturers, Inc.*

The corporate membership is for any person, firm, corporation, company, or division engaged in the production of product identification from graphically decorated metal or plastic materials. These persons or companies are eligible for corporate membership, which includes voting rights on association issues.

### **Corporate Membership Application**

The GPI Corporate, or voting, membership consists of specialty printers, etchers, fabricators, and formers who offer product designs, packaging, and sign and recognition products. They are any person, firm, corporation, or division engaged in the fully integrated production of product identification from graphically decorated metal or plastic material.

Why join at the Corporate level? When you join, you become the voice of the industry, able to influence and affect outcomes that shape our collective future. Plus, no other organization offers you the opportunity to network with your peers, suppliers, and competitors like the National Association of Graphic and Product Identification Manufacturers, Inc. (GPI). And no other organization can match our unique forum format, packed with exchanges of information on key management and technology issues.

Join us by completing and returning the attached Corporate Membership Application Form to the GPI office at [gpistaff@thomasamc.com](mailto:gpistaff@thomasamc.com).
